A New Industry Standard—More Tags in Less Time

Roughly three times faster than our industry leading LL1000, the LL30XX is especially valuable when production lines increase speeds, or when you need more data on your tags.

- ◆ **Sharp, clear text, barcodes, logos, graphics, and user selectable fonts.**
- ◆ **Higher performance, without sacrificing reliability or versatility.**
- ◆ **Allows for longer tags and bigger barcodes which can be read at a distance.**
- ◆ **One-year warranty and lifetime live 24/7 technical assistance.**
