

# Polyacrylic Laser Labels

## Finished Product and Universal ID Tags

- For any facility requiring lifetime identification of valued equipment
- Resistant to:
  - Heat—meets UID standards
  - Chemicals—see reverse
  - Abrasion—scratch resistant & tamperproof
  - UV Exposure
- Maximum of 4.72" (120mm) wide, all other sizing customized

- ◆ Low profile, industrial grade, self adhesive labels.
- ◆ Compliant with Military, Government, and International Universal Identification standards.
- ◆ User defined shapes and sizes
- ◆ Multiple tags printed in a single cycle
- ◆ Impervious to most common cleaners, caustics, and acids
- ◆ Printed on InfoSight LabelLase® 1000V and JM410V Printers with high contrast alphanumeric characters, graphics, and 1D & 2D barcodes. Exhaust filters highly recommended. →
- ◆ Preprinted tags available.

Find out how easy it is to design and print your tags with a LabelLase® Metal Tag Printer & free Producer™ Software.

**MEETS STANDARDS:** CPSIA Sec. 103(a) - DOD Mil-Std-130 (UID)  
FDA 21CFR Part 801 (GUDID)

# Polyacrylic Laser Labels

## Technical Specifications

<b>Industry</b>	Any facility requiring lifetime identification for valued equipment
<b>Typical Customer</b>	Customers for whom polyacrylic, adhesive labels are a suitable or required solution for long term identification
<b>Purpose</b>	Security and asset labeling requiring abrasion and chemical resistance or “under the hood” labeling
<b>Resistance</b>	<p><b>Heat:</b> Meets UID standards. Specifications available on request</p> <p><b>Chemical:</b> Withstands caustic power washing, solvents, brake fluid, transmission fluid, motor oil, anti-freeze</p> <p><b>Abrasion:</b> Scratch resistant and tamperproof</p> <p><b>Ultraviolet:</b> Highly resistant to sunlight and fading</p>
<b>Sizes</b>	<p><b>Width:</b> Maximum of 7.72 in (120 mm)</p> <p><b>Lengths:</b> to customer specification.</p> <p>Multiple and side-by-side designs enabled</p>
<b>Composition</b>	Polyacrylic film on self adhesive backing from 3M®, tesa® and other qualified vendors
<b>Available Forms</b>	Print on-site with one of InfoSight’s durable, laser metal tag printers or pre-printed by InfoSight
<b>Available Colors</b>	White lettering on black labels, colors by special order
